Answer 2: To stay consistent throughout all parks please bid as stated in the specifications which are outlined in the ITB and in Addendum 1.

Question 3: It says that the site visit is mandatory but does not have a meeting date. Do we schedule that with you or just go out and take a look when I can?

Answer 3: It is the vendors responsibility to visit the site of the proposed work, and acknowledge that they have visited the site in Section 4, Certification of Mandatory Site Exam.
